There is too much to do to be bored! It's time to serve! It is time to make a real difference in the community. It is time to change the world. You can sleep later. Now is the the time to serve. We must redeem the time. It isn't time to relax. It is time to turn the world upside down. Don't be scared we are going to help you. We can change the world. Don't just spend your spring break, invest it. Do you want to help impact the life of some kid. Would you like to help get some kids to the childrens crusade

too much to do to be bored

don't sleep your spring break away - serve it away

and make a real difference. Are you reading this? Who wrote this? I did. Any question? I look forward to spending time serving our God together. We are going to have a blast serving our God. You will have some wonderful memories to share with your friends. Trust me there is nothing better than serving our God. Don't trust me. Trust the Bible says we were created for this. I can't wait. Are you still here? Are you waiting for? Make sure you get this schedule. How can you see it. You may not be able to make it. However, every event you are at there. Be all there. Come ready to make a difference. There is not excuse for being bored. Let me know if you need a ride. Of course, you can bring a friend. How bout we bring some friends to Jesus? I am so excited about Spring Break. Are you? We are going to make a real difference,
